
KTLX 128.0 km south of origin 2011-05-20T08:14:31Z
Corrected radial velocity of scatterers away from instrument
Distance Above origin (km)
East West distance from origin (km)
Corrected mean doppler velocity(meters_per_second)

KICT 128.0 km south of origin 2011-05-20T08:14:44Z
Corrected radial velocity of scatterers away from instrument
Distance Above origin (km)
East West distance from origin (km)
Corrected mean doppler velocity(meters_per_second)
